## FILTER PRODUCTS

Comprod prides itself on high quality, in-house manufactured products, and industry leading technical support. Our New Buffalo facility is entrenched in new R&D projects, allowing our customers to receive better performing products that have more flexibility in the field.

Many of the products listed below were not openly available previously on any price list. We continue to reserve many of our produced Filter Products, so that a technical advisor can appropriately guide you in your final product selection.

Our inside technical support team is available for free consult and available 24/7 if needed. Each technical advisor has over 20 years of experience in the field.

We are here to support you today, tomorrow, and well into the future.

**Thank you for being our customer and encouraging us to improve and evolve.**

CP IMP-13-05D	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Dual 5w	Call
CP IMP-13-05S	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Single 5w	Call
CP IMP-13-100D	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Dual 100w	Call
CP IMP-13-100S	Intermodulation Suppression Panel, TM, 132-174MHz - Single 100w	Call
CP IMP-13-25D	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Dual 25w	Call
CP IMP-13-25S	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Single 25w	Call
CP IMP-13-60D	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Dual 60w	Call
CP IMP-13-60S	Intermodulation Suppression Panel, Tray Mount, 132-174MHz - Single 60w	Call
CP IMP-40-05D	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Dual 5w	Call
CP IMP-40-05S	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Single 5w	Call
CP IMP-40-100D	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Dual 100w	Call
CP IMP-40-100S	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Single 100w	Call
CP IMP-40-25D	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Dual 25w	Call
CP IMP-40-25S	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Single 25w	Call
CP IMP-40-60D	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Dual 60w	Call
CP IMP-40-60S	Intermodulation Suppression Panel, Tray Mount, 406-512MHz - Single 60w	Call
CP IMP-80-05D	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Dual 5w	Call
CP IMP-80-05S	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Single 5w	Call
CP IMP-80-100D	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Dual 100w	Call
CP IMP-80-100S	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Single 100w	Call
CP IMP-80-25D	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Dual 25w	Call
CP IMP-80-25S	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Single 25w	Call
CP IMP-80-60D	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Dual 60w	Call
CP IMP-80-60S	Intermodulation Suppression Panel, Tray Mount, 806-896MHz - Single 60w	Call
CP IMP-90-05D	Intermodulation Suppression Panel, Tray Mount, 896-960MHz - Dual 5w	Call

## WARRANTY

**This warranty applies for 2 years from the seller's date (\* Note 1)**

---

The SELLER warrants its products to be free from defects in material and workmanship at the time of shipment. The SELLER's obligation under warranty is limited to replacement or repair, at his option, on any such products, which shall have been defective at the time of manufacture.

Replacement or repair of defective SELLER products will be made only if inspection at our Boucherville, Quebec plant shows defective material or workmanship at the time of manufacture. The buyer must prepay all shipping charges on returned products.

Any SELLER products which has been damaged, whether through carelessness, abuse, accident, incorrect installation or otherwise, or any SELLER product that has been modified or otherwise significantly changed other than at the SELLER's plant is not covered by this warranty. The SELLER will not be liable for consequential damages, installation costs or other costs of any nature arising out of the use of the product he manufactured, whether or not used in accordance with instructions.

This warranty is in lieu of all others, expressed or implied.

No representative is authorized to assume for the SELLER any other liability or warranty than set forth above in connection with our products or services.

The SELLER makes no warranty of fitness, either expressed or implied.

---

**Note 1: Warranty on Mobile Antennas and Mobile Accessories is 1Year from date of purchase only  
Warranty on Filter Product is 5 years, Transferable, from Date of Purchase Only**

## TERMS AND CONDITIONS OF SALE

---

**PRICES AND TERMS:** Prices are F.O.B. our plant in Boucherville, Quebec, and are subject to change without notice. Prices listed herein do not include federal, provincial, state, municipal or excise taxes. Terms are NET 30 days from date of invoice to approved credit.

**QUOTATIONS:** Only written quotations are valid.

**SHIPPING:** Unless otherwise agreed at the time the order is placed, seller reserves the right to make partial shipment for which payment shall be made in accordance with seller's above terms. Shipments are made via Canpar, shipping and packing charges added to invoice unless otherwise specified. If a shipment cannot be made by Canpar, it will be shipped "freight collect". Airfreight may be used if specified by the buyer. Buyer's preference in routing will be used if possible. SELLER is not responsible for selecting the cheapest or fastest route.

**CLAIMS:** All claims for damage or loss in transit must be made promptly by the buyer against the carrier. Claims for shortage must be made within 30 days after date of shipment from SELLER's plant.

**SPECIFICATIONS, CHANGES OR MODIFICATIONS:** All designs and specifications of seller's products are subject to change without notice provided the changes or modifications do not affect performance.

**RETURN OF MATERIAL:** Written authorization must be obtained before returning product in form of an RMA#. Credit not to exceed 75% of the original price allowed on unused, stockable products provided they are returned prepaid and in new condition. Credit not to exceed 25% of the original price is allowed on unused non-restockable products, such as factory-tuned antennas. In no case will we authorize return of products more than 180 days after shipment from our plant.

**DELAYS:** SELLER is not liable for delays or inability to fulfill contractual obligations when the cause is beyond his reasonable control.

**CANCELLATION OR CHANGES IN ACCEPTED ORDERS:** Cancellation or alteration of acknowledged orders by the buyer will be accepted only on terms, which protect the SELLER against loss.

**NON WARRANTY REPAIRS AND RETURN WORK:** Consult seller's plant for pricing. The buyer shall prepay transportation charges to seller's plant. Standard shipment policy shall apply with respect to return shipment from SELLER to buyer.
